# About Lorne's Ministry

Lorne Korol serves as the Pro Chaplain for the Winnipeg Jets Hockey Club, Manitoba Moose and the Winnipeg Blue Bombers Football Club.

Lorne's vision is to bring God to the athletes, not only to win over the lost, but also to help Christian players experience the power of the Holy Spirit as they help their fellow teammates discover Jesus. These athletes in turn use their platform to influence and impact our community for Christ as each year we do several outreach events with our players.

Lorne also serves as a Full-Time Staff member for Power to Change Canada with their Athletes in Action Ministry—dedicated to developing the total athlete through faith, life and sport. **As a Full-Time Staff he is required to raise 100% of his salary, staff benefits and ministry expenses.**

Lorne delivers weekly bible studies and game-day chapel programs with the Winnipeg Blue Bombers Football Club each week of their season (June to November). Each winter (September to May) Lorne delivers a ministry program with the Winnipeg Jets Hockey Club and the Manitoba Moose, which includes a chapel each week the team is at home. Lorne also facilitates bi-weekly bible studies with the True North Sports + Entertainment front office staff and the Winnipeg Jets Alumni and Friends Fellowship. In addition, he meets and communicates with the players and coaches from both teams outside of chapel and bible study where possible for further discipleship and relationship development. God has allowed Lorne to extend far beyond the players and coaches. He feels truly blessed to be embraced as a key part of each organization.

**"Lorne is one of the nicest people I've ever met. Such a great sounding board. He's a guy that whether someone is going through something and if it's just a matter of praying for them, thinking about him or talking about a certain situation, he's always there for me. Having someone like that on your side means the world."** - **Mark Scheifele, Winnipeg Jets**
